Product #8113: Premium Wrist Strap

Product #8107: Premium Wrist Strap Cord

Product #8153: Kit includes #8113 wrist strap,
#8107 coil cord, and alligator clip

Essential ESD wearables for all-day use

ACL's adjustable Premium Wrist Straps offer long-lasting comfort and secure personal grounding for working in ESD protected areas. Once connected to ground, the Premium Wrist Strap provides a safe path for eliminating static charges.

Double-thick for extra comfort, the flexible, elastic crochet fabric with non-conductive outer lining and conductive inner lining ensures full skin contact around the wrist. Silver conductive fibers are interwoven for maximum conductivity and minimum skin irritation. The Premium Wrist Strap is equipped with a "flip and grip" buckle for a secure adjustable fit. The buckle, comprised of static dissipative nylon, features a hypoallergenic jewelry-grade stainless steel back plate and a 4mm stud.

The Premium Wrist Strap is compatible with ACL's #8107 Premium Wrist Strap Cord. Together, the system provides one to five pounds of breakaway force.

FEATURES

- ✿ Recommended for all-day wear
- ✿ Lined with 10 rows of micro-threaded silver yarn
- ✿ Interior resistance: ≤ 100 kohm @ 7-30v dc open circuit
